2025 BELT RE-CERTIFICATION PROGRAM FORM

Crow offers a re-web policy for Crow Driver Restraint Systems *ONLY*.

RE-CERTIFY SERVICE INCLUDES: Replacing all the webbing & pads if applicable. *We use your hardware.*

- Do not send in your restraints if your hardware is not in EXCELLENT condition, we cannot accept rusty, damaged, or aged hardware. Your SFI tag cannot not be older than **2020**. **NOTE:** If your restraints do not meet this criteria they will be returned to you at your expense.
- Send in ALL your hardware with your restraints. You cannot switch-out your hardware for another style, i.e. silver to black hardware, kam lock, ratchet, etc. **The process of re-certifying is replacing all your webbing and reusing your existing hardware.**
- **Hardware does have a life expectance. Upon inspection your hardware may indicate this is the last time these restraints can be re-certified. A yellow label will be sewn on your restraints indicting that this is the LAST time your restraints can be re-certified; this will also be noted on your invoice.**
